NOTE TO DONORS - REMEMBER to ask your employer about matching grants! In many cases employers will match your charitable donations, including those to schools! Don't leave free money on the table! If you don't already know if your employer matches donations, check your company's intranet or with HR to learn about your matching gift program. Complete your employer's required form to submit the gift for the match. Employers can send donations to: Barnum PTO, 3813 North Street, Barnum, MN 55707. If a contact is required, please list the Barnum PTO contact displayed below.
